

Edge Brownie Pan™

THE BROWNIE PAN FOR EDGE LOVERS!

www.bakersedge.com

- adds two chewy edges to every brownie
- fits standard box mixes with no adjustments necessary
- one continuous chamber, so batter can be easily spread
- interior sidewalls circulate heat evenly to every serving
- durable nonstick coating and round, easy-to-clean corners
- heavy-gauge cast aluminum construction (professional grade)
- all pans are 100% made in the USA
